Certificate of Insurance Requirements

A certificate of insurance is required for all work being done in an apartment and for all moves and deliveries. If an Alteration Agreement is required, there will be additional requirements. Projects in the building will require more documentation for review before anything is signed.

This review process protects the building, and yourself, from claims caused by your contractor or delivery person while on the premise.

Your delivery or contractor will not be allowed to enter the building, until management has received a valid certificate of insurance, at least two business days in advance. Additionally, all deliveries requiring the use of the service elevator must be scheduled with management.

Email a copy of the Certificate of Insurance along with a cover sheet that includes the name of the unit owner, unit number, and stating what is being delivered and/or what work or move that is taking place to

Parkcity3and4@akam.com or at hkhan@akam.com.
